

Yellow Jambhala

Yellow Jambhala Workshop Lord of Abundance: Two Days

Yellow Jambhala extinguishes the obstacle of poverty and generates abundance. Jambhala practice can help a practitioner to attain material wealth, but the real wealth is merit, virtue, spiritual attainment, wisdom, and accomplishment of siddhis.

In this workshop, you will receive an Abhisheka Empowerment (pouring of holy water on your crown) which will enable you to successfully practice the Yellow Jambhala and Ask-For-Wealth Dharmas. This very powerful ritual wealth Dharma practice includes learning the Sanskrit version of wealth mantras, along with the accompanying mudras (hand gestures) and visualizations.

Irish Hanmi Buddhist School Centres

Model Farm Road Medical Centre
Model Farm Road, Cork

Iomlan Meditation Centre
Fergus House
Quin Road Business Park
Quin Road
Ennis, Co Clare

**This teaching has been used by Eastern
Spiritual Masters for over 1400 years**

You will learn to purify karmic obstacles that cause lack of abundance and to generate wealth, prosperity, and success in all your endeavors. You will also learn to set up an altar to create an empowered sacred practice space, or mandala, in your own home.

The Yellow Jambhala and Ask for Wealth workshop lasts for 2 full days. The appropriate offering should be made in advance of workshop, it includes an Abhisheka and an Empowered Statue.

Dan Kendall : Chanzhi Decheng

is the Abbot of the Hanmi Buddhist Dari Rulai Temple Los Angeles. He received his transmission directly from Master Dechan Jueren the 49th Lineage holder of the Hanmi Esoteric School

Wealth Dharma

According to Living Buddha Dechan Jueren:

"Poverty is what is considered an evil obstacle. If someone has nothing to eat and can't even survive he won't have energy to practice dharma."

"...to increase prosperity is the first guardian dharma...."

"First you must resolve the problems of your existence before you can resolve the issues of your heart and mind. This is very logical and practical."

"Even though this is wealth dharma this does not mean you can pick up golden bills off the ground. Once you practice well your life changes, the path to wealth opens up, and there will be less obstacles in your career. You'll feel less stressed. When doing business you will be focused. For example, for most the opportunity for success is 30% while for you the opportunity is 100% or 110%. How can you reach that stage where you will have a successful career and wealth? First you must practice the right virtue. Only the one with the right virtue can carry all this luck."

Yellow Jambhala

Yellow Jambhala extinguishes the obstacle of poverty and generates abundance. Jambhala practice can help a practitioner to attain material wealth, but the real wealth is merit, virtue, spiritual attainment, wisdom, and accomplishment of siddhis.

This is a unique opportunity to learn these complete techniques, which have not been offered publicly in over 1400 years. Yellow Jambhala Ask For Wealth Dharma is not a religious teaching, it simply originates from a Buddhist tradition and so uses that particular frame of reference.
